

# Vignoble Rasse

In this land there are 2 different vineyards with a common entrance:  
800 Chemin des Sausses, 06640 Saint-Jeannet.

One is **VIGNOBLE RASSE**, owned by **Denis and Luz Rasse**, in **La Fontaine du Vignoble**, and the other is Vignoble des Hautes Collines de la Côte d'Azur, owned by Georges Rasse.

**To come to VIGNOBLE RASSE you must follow these instructions:**

**By Car:** when entering the field by 800 Chemin des Sausses, continue with your vehicle and turn right on the first cement road - you should pass in front of a winery and passed by the stonewall with glass jugs of wine-. Follow this road 150 meters until you reach the end of it, where you will find the Vignoble Rasse Parking.

**On foot:** the pedestrian entrance is at 578 Chemin des Sausses. You will have to descend 30 meters to the tasting room. If you have a vehicle, you can park it on Chemin des Sausses.

If you have any questions, ask for Denis and Luz Rasse.
